PROFESSIONAL EXPERIENCE

Food Chain Industry
Role: Developer
Jan 2024 – Present

PROJECT DESCRIPTION

A **Fast-Food Chain company** which uses Adobe tools to run customer-targeted campaigns. We offer rewards and analyse data to improve our marketing efforts and enhance customer satisfaction.

RESPONSIBILITIES:

- Spearheaded initiatives within **AJO's Data Management and Decision Management modules**, ensuring seamless integration of schemas, data integrity, and **dynamic rule sets**.
- Leveraged **Adobe Experience Platform (AEP) and Adobe Campaign Classic (ACC)** tools for enhanced campaign management.
- Orchestrated **API integrations via Postman & Python** for efficient connectivity.
- **Collaborated closely with Middleware and QE teams** to expedite development processes.

ACHIEVEMENT

Developed **multiple API automations** to enhance tool productivity, resulting in improved returns and increased efficiency.

Food Chain Industry
Role: Developer
Jun 2022 – Dec 2023

Project Description

A **Fast-Food Chain company** which uses Adobe tools to run customer-targeted campaigns. We offer rewards and analyse data to improve our marketing efforts and enhance customer satisfaction

Responsibilities:

- Utilized Adobe Campaign Classic for advanced campaign management, leveraging its robust features for targeted messaging and personalized customer experiences.
- Implemented **Adobe Campaign Standard** to streamline campaign execution, ensuring seamless **delivery across multiple channels**.
- Orchestrated API integrations to seamlessly connect Adobe Campaign Classic and Adobe Campaign Standard with other systems, enabling efficient data flow and streamlined workflows.
- Collaborated closely with cross-functional teams to optimize campaign strategies and drive impactful results.

Achievements:

Developed **multiple workflow solutions** to automate system functionalities, enhancing efficiency and productivity.

ECO Appliances
Role: Senior IT Executive
Jan 2022 – June 2022

PROJECT DESCRIPTION

ECO Appliances specializes in sales and services of premium home appliances globally. With our strategic campaign management, we reach customers in the USA and around the world.

RESPONSIBILITIES:
